Unfortunately, due to safety concerns, we will not have a live Veterans Day program at school this year. This year's Sentinel Veterans Day program will be prerecorded and will be released online on Wednesday, November 11 at 11:00 AM. The recorded program can be found on Facebook or YouTube by searching for "Sentinel Public Schools" on either site. We feel like this is the safest alternative to a live program so that we can still honor our local veterans.

Additionally, the Sentinel FFA will be delivering a Veterans Day meal to our local veterans. We have a list of local veterans and their addresses for delivery. If you or someone you know is a veteran in the Sentinel, Rocky or Carter area please call the school to make sure you are on our delivery list if you would like a Veterans Day meal. You can call the school at 580-393-2112 from 8:30-3:30 from Oct. 21 to Nov. 10. Thank you to all our veterans and their families for their service to our community, state and country!

Sincerely,

Sentinel Administration
